## WHAT IS "THE COURT SYSTEM" ???

In brief, The Court System is a social community-service organization. When the system originated in San Francisco over 18 years ago, it was strictly "camp" fun and from that beginning we derived our "camp" titles...i.g. "Emperor and Empress" (those who serve for one year as the presidents of our organization); 'Coronation" (a gala function held once yearly at which time we elect our new officers); etc. As the elected officers of our organization, our primary goals are to further relationships with organizations and businesses within our community, to hold functions and fundraisers for the enjoyment of the community, to raise money for charitable organizations, and to help those in the community who are in need of our assistance. For example...The San D iego Court System has been responsible for scholarships to Gay Male and Lesbian students; numerous fundraisers for our Gay Center, churches, Stepping Stone, S.A.G.E., dignity, etc., etc. The San Diego Court has also reached outside of our own Gay community with financial assistance to the County's Retarded Children's Association, the **San Diego Union's** Children's Shoe Fund Drive, Special Olympics, Home for Battered Children, etc., etc., etc. The Imperial Court also makes visits to senior citizens' homes, orphanages here and in Mexico, homes for special children, etc., etc., etc. One can compare the court system to a Gay Shriners orElks, etc.

The Imperial Court de San Diego has been in existance for over ten years. Most major cities in the Western United States and Canada have a court system in their community. In California alone there are approximately 32 courts. So in essence, we are a chapter in an international organization. Our monarchs attend coronations throughout the country and Canada representing san Diego and sharing in furthering relations with outside communities. **No one** associated with our arganization personally receives any monetary gain from any money raised at our functions. The money goes directly back into the community as outlined above.

Throughout the years, the Court System has raised hundreds of thousands of dollars collectively to channel back into charitable, social and political causes. When Anita Bryant and Prop. 6 (the Briggs' initiative) surfaced, the Court System raised thousands of dollars to help defeat these anti-Gay crusades.

You are probably wondering: "Why aren't they more well known?" Thet has been our mistake! We now realize that it is very necessary to publicize our positive contributio;ns so that the community is made aware of the history, actions, and credibility of our organization.

Perhaps the best aspect of our organization is that it is open to anyone and everyone. There is absolutely no discrimination as is evident in that our members represent every aspect of society, both Gay and straight. A person's gender, lifestyle, or mode of dress has no bearing whatsoever on acceptance in our group. **EVERYONE IS WELCOME!!!**

For further information about our organization, our upcoming events, or if you are in need of our assistance, please contact any of our current officers whose names and phone numbers are listed below. Please remember...**WE ARE HERE TO SERVE YOU.**

## WHAT I DID FOR LOVE

I would personally like to welcome all of you to Coronation XV in America's Finest City. Tonight the people of San Diego will select their new Emperor and Empress based on their leadership, devotion, intelligence, and the desire to work for the entire community to the best of their ability. I wish to extend my best wishes and good luck to all the candidates.

It has been an honor and privilege to reign as Emperor XIV of San Diego for a year and now this glorious reign is coming to its end.

There are so many friends to recognize and thank for all their help, support, and understanding that I could not list them all. In my travels to other cities every court member went out of their way to make it a Royal visit and I thank all of you from my heart. A very special thanks to hosts Jack and Gerald of Ft. Worth; Vernon of Alaska; Doug, Brian and Ernistine in Canada; Jovan and Ross in Hawaii. My love to the Apples forever. My Brother Ray of Modesto, you are No. 1. To my sister Lola and Raven, I love you. San Francisco you are all divine. Empress Jose, you have taught me so much. I will love and respect you forever.

To my royal wife Nicole. In the beginning of the year you asked for my strength. I asked for your faith, trust and love. We gave it and we won. We spent a year side by side with style and class. You have my love and respect forever. Say you Say me.

I could not have made the year without the help of our Court, Rick Ford, my queens Eddie, Marilyn and Jan, 'Bee Jays staff, Dirck and Scott, John Sanfillippo, Ernie Cooney, the Broncos, and my right arm Barry Alexander. I love you all.

I called upon my Mother, Rita, for my strength. My partner in life John Moore for help, compassion and understanding. My lover and Prince Royale Keath to be at my side day and night to share the tears and laughter of an Emperor's year. Together we made it work.

What a year this has been! Someone asked me what I did this year. Just for fun I would like to share it with you in a nutshell. I attended or sponsored 104 San Diego in-town fund raising functions, hosted 12 Court dinner meetings, attended 14 out of town coronations, traveled to 17 cities in 8 states, including Hawaii, Alaska and Canada, logged over 33,000 air and land miles. Nothing to it. In my spare time, I taught 52 nights of dance class, 52 nights of Bronco rehearsal, traveled to and performed at 5 out-of-state rodeos, 12 nights of Aids Board meetings, ran my business, maintained my home, and attempted to keep my Mother, lover, and partner happy. P.S. I forgot the 54 birthday parties. Yes, and I aged 20 years.

WHAT I DID FOR LOVE.

Golden Stallion Emperor XIV
Clint J. Johnson

I have had the honor of being your Empress for four reigns in the last fifteen years and as I look back, I attribute all success and good deeds to the support of you, the community. During this, my final reign, I've had to change my priorities as your Empress and put aside the crown for more important and serious concerns. . .thank you for your understanding.

To **all** the members of the **XIV Imperial Military Court**, thank you. To all our visiting Royalty from across the United States and Canada, your presence honors my Emperor and myself. As in any reign, there are those special people who have made it possible by their friendship and support. . .

Susan Jester, you were a shining star for me during many, many clouded nights. I love you. Craig XJ, you have always been there for me. I was always afraid our deep friendship and respect would suffer during this year. Thank you for always assuring me in your own way that our foundation and love is too strong and will endure forever. Tony Zampella, no one can understand our friendship. At times, neither can I, but I do know one thing; I can never say thank you enough for all you do for me and I do love you so very, very much.

Tonight, I feel special for many reasons and especially because of the talents and artistic creations of Mr. Warren R. Caton of Hollywood, Rob Merrell, Larry Gaines, Mr. Gregory of Las Vegas and Empress Lola. . .thank you for creating your magic. . .and "Lady" Liza, you're the greatest!

And now to my Royal Husband, my strong Golden Stallion Emperor, Mr. Clint Johnson. . .You are one of the most gentle, kind and beautiful human beings that I've had the honor to become close to. I will never forget our late night restaurant stops and long drives. I opened up to you because you made me feel so comfortable and I knew you cared. You have touched me in so many ways, I'm sorry for all the headaches and controversy that being "Nicole's Emperor" can cause. You are one of the most loved men in our community, and Clint, it has been **my** honor to serve with **you**. I wish you and Keith every happiness and know; Clint, that you have become a special part of my life forever. And thank you, Johnny, for your understanding and support of Clint's and my year.

To my best friend of so many years, Rick Ford. . .you understand and put up with all my faults and negativity and yet you never give up on our relationship. I love you Rick. I know I never say "thank you" enough, but know that no one means more to me in this world than you. . .your family. . .thank you "sister" for everything.

The very best to our new **XV Monarchs**. . .long live the Monarchy and God Bless the people of this realm.
